

USG GFSS Results Framework

Goal: Sustainably reduce global hunger, malnutrition, and poverty

Objective I

Inclusive and sustainable agricultural-led economic growth

Objective 2

Strengthened resilience among people and systems

Objective 3

A well-nourished population, especially among women and children

IR I

Strengthened inclusive agriculture systems that are productive and profitable

IR 2

Strengthened and expanded access to markets and trade

IR 3

Increased employment and entrepreneurship

IR 4

Increased sustainable productivity, particularly through climate-smart approaches

IR 5

Improved proactive risk reduction. mitigation, and management

IR 6

Improved adaptation to and recovery from shocks and stresses

IR 7

Increased consumption of nutritious and safe diets

IR 8

and services

Increased More hygienic use of direct household and nutrition community interventions environments

IR 9

Cross-Cutting Intermediate Results (IR)

Strengthened global commitment to investing in food security

Improved climate risk, land, marine, and other natural resource management

Increased gender equality and female empowerment

- CC IR 4 Increased youth empowerment and livelihoods
- More effective governance, policy, and institutions
- Improved human, organizational, and system performance

Effective response to emergency food security needs

Complementary Results

Long-term food security efforts benefit from and contribute to complementary work streams that promote:

Economic growth in complementary sectors

Healthy ecosystems and biodiversity

Stable, democratic societies that respect human rights and the rule of law

A reduced burden of disease

Well-educated populations

Global Food Security Strategy

- GFFS Nutrition Technical Guidance Document available on feedthefuture.gov
- Key reference for designing FTF nutrition programs

All objectives inclusive of nutrition

FY 2017-2021

September 2016

Objective I

Inclusive and sustainable agricultural-led economic growth

Objective 2

Strengthened resilience among people and systems

Nigeria: New GFSS Target Country

- Seven target states
- Nutrition crisis on multiple fronts
 - One out of every three Nigerian children is stunted
 - Double burden
 - Geographic disparities
- The drivers of malnutrition are many, complex and nonlinear.

DHS: Stunting, Wasting Underweight 2003-2013

Going Forward

Goal:

 to design interventions that appropriately track both indirect and direct impacts on nutrition and will continue to add to our understanding of how to effectively address malnutrition in Nigeria.
