

SPRING IS WORKING TO STRENGTHEN THE NUTRITION SYSTEM IN UGANDA

Supported Uganda's National Working Group on Food Fortification to strengthen efforts to institutionalize a mandatory food fortification program in Uganda

Initiated the procurement of micronutrient powders and developed a research protocol for pilot testing their distribution in Namutumba District

Collaborated with the Ministry of Health and the National Anemia Working Group to develop a national anemia strategy aimed at streamlining anemia activities in Uganda

Provided nutrition assessment, counseling, and support (NACS) training to 189 health workers across 61 SPRING-supported health facilities and reached another 329 health workers through continuing medical education

REACHING PEOPLE

In Uganda, SPRING provides national-level technical support to the national government on food fortification and the prevention and control of anemia. We also deliver nutrition services across 10 districts in the Southwest and East Central regions of Uganda.

EXERTING INFLUENCE: HIGHLIGHTS
