SPRING

Building the Multi-Sectoral Nutrition Knowledge Base

SPRING serves as a catalyst to strengthen partnership, innovation, and results through strategic knowledge management, convening a wide range of actors that contribute to positive nutrition outcomes. Here is a snapshot of how our work brings different groups together to move the needle on ending malnutrition.

Visit the SPRING website for 1,000+ nutrition resources that help apply evidence and innovation to programming:

- 200+ tools, job aids, studies
- 50+ resource review e-newsletters summarizing over 800 nutrition resources from across the global nutrition community
- 20+ peer-reviewed journal articles

See the human face of SPRING's implementation in action and how our diverse country experience feeds the tools we create through videos, stories, and data:

- 120+ videos
- 50+ success stories
- 40+ infographics
- 30+ blog posts

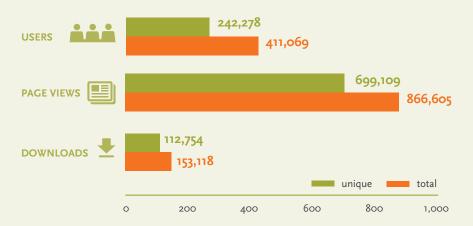

This graphic is made possible by the generous support of the American people through the United States Agent for International Development (USAID) and celd the Future, the U.S. Covernment's global hunger and food security initiative, under the terms of the Cooperative Agreement AID-OAA-A+10-0031 (SPRING), managed by ISI Research & Training Institute, Inc. (ISI) with partners Helen Keller International, the Manoff Croup, Save the Children, and the International Food Policy Research Institute. The contents are the responsibility of JSI, and do not necessarily reflect the views of USAID or the United States Covernment.

Sign up for one of our events, subscribe, or follow us on Twitter and Facebook for current nutrition knowledge:

- 7.000+ email subscribers
- 100+ online and in-person events
- 4,000+ social media followers
- 250+ participating organization

SPRING ONLINE

SPRING is proud to partner with the United Nations Standing Committee on Nutrition in leading the Accelerated Reduction Effort on Anaemia community of practice, which has grown to almost 800 members in over 60 countries in two years.

BRIDGING NUTRITION KNOWLEDGE GAPS

SPRING has hosted 7 Global Learning and Evidence **Exchange events** in partnership with USAID's Bureau for Global Health, Bureau for Food Security, Bureau for Economic Growth, Education and Environment, the Office of Food for Peace and Feed the Future.
