3 step Korect Advice ontop how u go take dey feed pikin wey dem just born or small pikin dem wey still dey grow:

Dis 3 step advice go helep u sabi beta advice wey u fit give mama (or di person wey dey helep take kia of di pikin) and u and di mama go even come gree ontop small and big pikin chop chop.

Dat 3 step advice be: Look into di matter well well, make u sabi why di matter be as e be well well and make u do something about wetin u see.

Step 1: Look into di matter dem well well — Ask wetin dey do dem, open ya ear make u for hear dem and look well well how di mama and pikin dey.

- Use beta language or talk take salute di mama (or the person wey dey helep take kia of the pikin) like padi dem.
- Make u ask am some question wey go fit make am wan talk.
- Make u open ya ear well well to take hear wetin dem dey talk and make u dey watch dem as dem dey talk so fit sabi oda things we dey wori dem. Na here u go use wetin we teach u before about to hear, sabi and helep.
- Make u look di pikin age and di kain food wey im mama dey give am chop, plus look how di pikin and im mama (or di person wey dey help take kia of di pikin) bodi be.

Step 2: Sabi dem well well — Make u sabi wetin dey wori dem and if di things wey wori dem plenti, make u know which one dey important pass di oda to take sabi di one u go hama first.

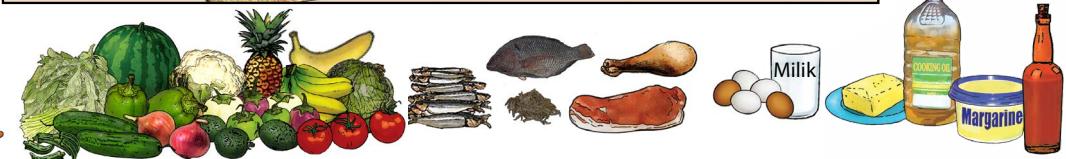

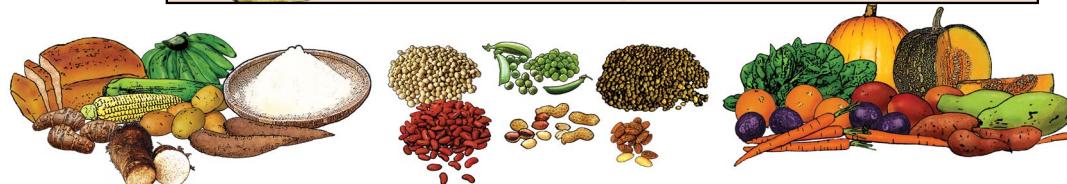

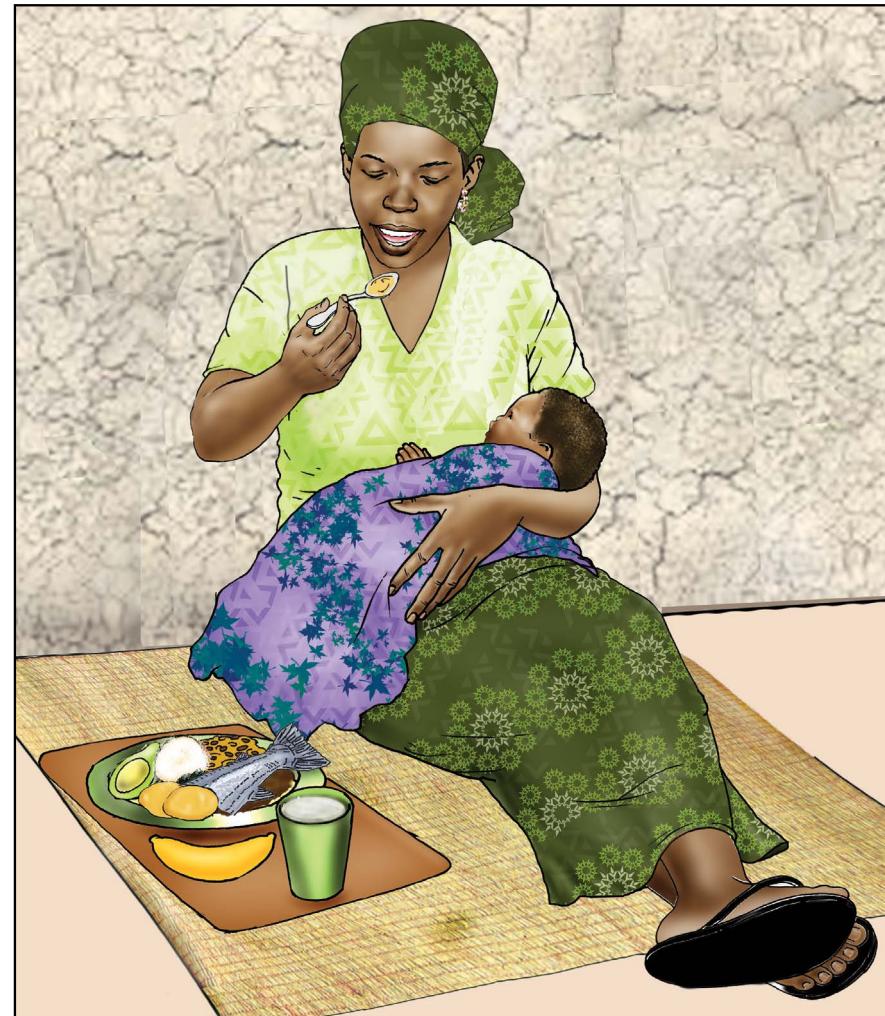

- Make u decide weda de food wey dem dey give di pikin dey ok and if the bodi of di pikin and im mama (or di person wey dey helep take kia of di pikin) dey kampe.
- If wahala no dey, salute di mama (or di person wey dey helep take kia of di pikin) well well and u go come face how to take give dem di information wey dem go use take kia of di pikin as im dey grow small by small.

- If plenti wahala dey ontop di way wey dem dey take feed di pikin or di bodi of di pikin or im mama (or di person wey dey helep take kia of di pikin) no dey kampe, make u know as u go take face di wahala one by one but make u hama on di wahala wey dey bad pass before anoda.
- Make u answer any kain question wey di mama (or di person wey dey helep take kia of di pikin) dey ask u.

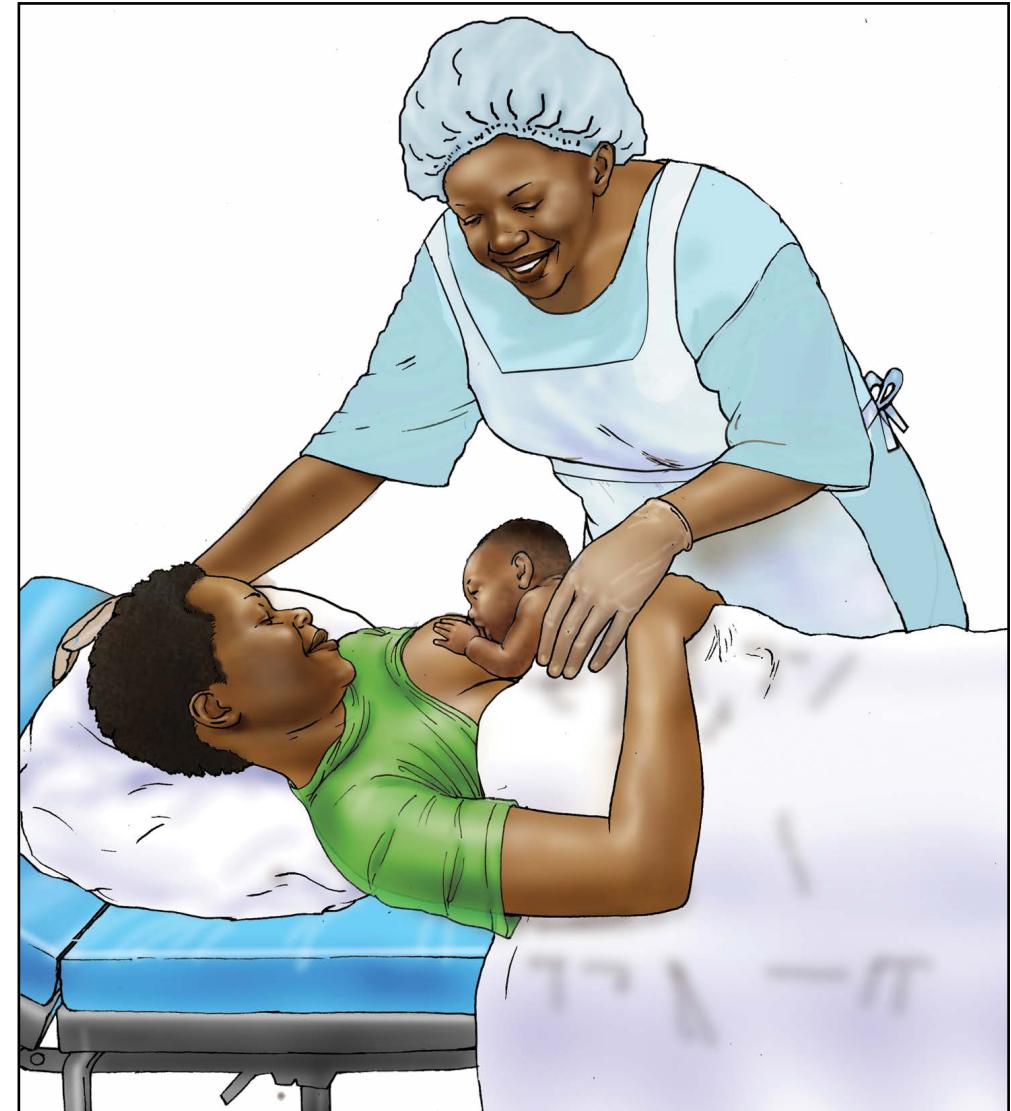

Step 3: Do something ontop wetin u see — Make u talk with di mama, tell am some things wey im fit do and make una two agree ontop wetin im go fit do.

- Na from wetin u don see naim go helep u know di kain small small information wey u go give di mama (or di person wey dey helep take kia of di pikin) wey go helep am hama on di wahala wey dem get.
- No forget to hail di mama (or di person wey dey helep take kia of di pikin) for di beta beta thing wey dem dey do well well.
- Give dem different small small way wey dem fit take hama on any wahala ontop how to feed dem pikin or how di bodi of di pikin (or di person wey dey helep take kia of di pikin) take be. Anything wey u say make dem do must to get time for to do am (weda days or week sef).
- Use korect advice card or message paper wey dem fit kari go house take give di mama (or di person wey dey helep take kia of di pikin) and no forget to answer dem question wey go follow.
- Helep di mama (or di person wey dey helep take kia of di pikin) to take choose di advice wey im gree try, make e for fit hama di wahala wey una see. Na dis one dem dey call togeda agreement wey go helep u and mama to dey flow togeda.
- Tell di mama (or di person wey dey helep take kia of di pikin) wia dem fit get more helep. Send dem go di clinic wey near dem pass and tell dem to dey join even group wia dem go dey hear beta talk ontop how dem go dey feed dia small pikin and big pikin wey dey dem komuniti.
- Make sure say di mama (or di person wey dey helep take kia of di pikin) know wia dem go find komuniti people wey sabi how to take kia of pikin, abi dokita or or nurse.
