

# Introduction to Multi-sectoral Programming, Collaboration, and Coordination

# Definitions

---

## COORDINATION

Exchanging information and altering activities for mutual benefit and to achieve a common purpose.

## COLLABORATION

Exchanging information, altering activities, sharing resources, and enhancing one another's capacity for mutual benefit and to achieve a common purpose.

## INTEGRATION

An intentional approach that links the design , delivery, and evaluation of programs across sectors to produce an amplified, lasting impact on peoples' lives.

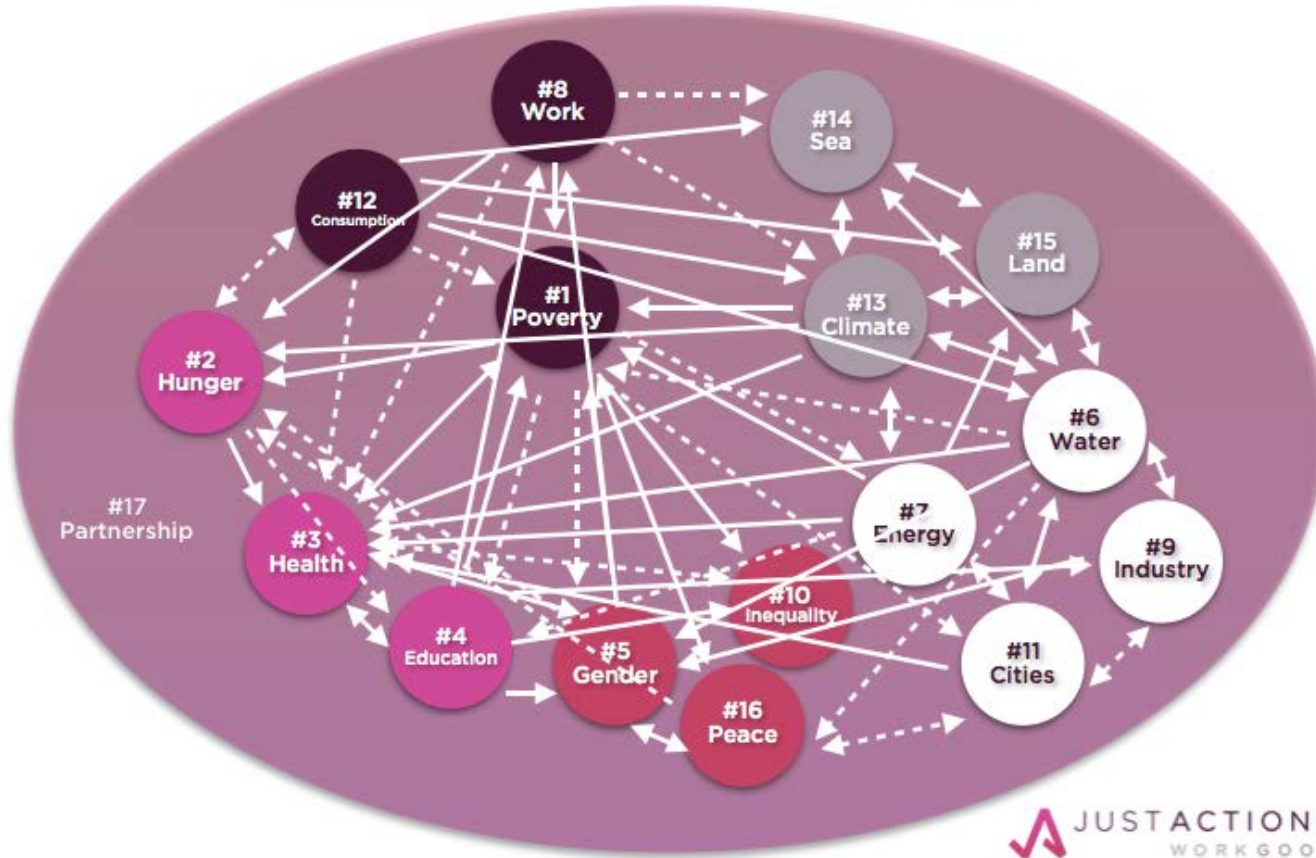

# Why coordination and collaboration?

---

# Simple, right?

GLOBAL GOALS AS INTEGRATED NETWORK

 JUST ACTIONS  
WORK GOOD

# Building on strengths

---

- ‘Adjacencies’

*Incorporating nutrition education into livestock promotion programs*

*Providing micronutrient supplementation to children in schools*

*Training health providers in IYCF counselling*

# Session format

---

- Panel discussion representing different contexts of multi-sectoral collaboration
- Participant discussion with rapid report-out
