The SPRING project continued to expand its reach and contribute to the global nutrition knowledge base in project year 4.

EXPANDING PRESENCE
SPRING continues to expand its global reach and scale of country programs.

- Bangladesh
- Ghana
- Haiti
- Kyrgyz Republic
- Mali
- Nigeria
- Uganda

Sub-national geographic units reached. In all SPRING-supported countries, the project met or exceeded its year four targets for sub-national geographic coverage.

GROWING THE EVIDENCE

- 63 informational products and success stories
- 10 sets of training materials
- 19 events
- 30 briefs and reports

REACHING PEOPLE
SPRING is working with ministries of health and agriculture, health professionals, students, and community members to improve nutrition practices in seven countries.

- 6,488,788 contacts made
- 37,512 people trained
- 103 institutions supported
- 3,921 service sites supported

SPRING is building local capacity to improve health outcomes through a range of nutrition-specific and nutrition-sensitive practices.

EXERTING INFLUENCE
The five highlights below are a selection of many events and network engagement that showcased the project’s global leadership in agriculture and nutrition.

- November: Designing the Future of Nutrition Social and Behavior Change Communication Conference USA
- December: Nutrition Global Learning and Evidence Exchange, Cambodia
- February: Technical Meeting on the Diet and Eating Practices of Adolescent Girls and Women of Reproductive Age, USA
- March: Record Attendance for Measuring Impact across Agriculture-Nutrition Pathways Webinar, Global
- June: Launch of the Nutrition-Sensitive Context Assessment Guide, Global
