Since 2012, SPRING’s country and global initiatives continually expanded in reach and contributed significantly to the nutrition knowledge base.

**REACHING PEOPLE**

SPRING worked with ministries of health and agriculture, civil society, health professionals, students, and community members to improve nutrition in 17 countries.

- More than 16,000,000 contacts made
- 149,390 people trained
- More than 240 institutions supported
- More than 4,300 service sites supported

SPRING is building local capacity to improve health outcomes through a range of nutrition-specific and nutrition-sensitive practices.

**EXERTING INFLUENCE**

The five highlights below are a selection of events and network engagements showcasing the project’s global leadership in multi-sectoral nutrition.

- 2017: SPRING Country and Global Learning Events
- 2016: Multi-Sectoral Nutrition Global Learning and Evidence Exchanges
- 2014: Designing the Future of At-Scale Nutrition Behavior Change
- 2013: USAID Multi-Sectoral Anemia Meeting
- 2012: Agriculture-Nutrition Global Learning Evidence Exchanges
