

Multisectoral Anemia Partners Meeting

October 18, 2013; FHI360's Academy Hall, Washington DC

Objectives of the Meeting:

1. To share frameworks and evidence to guide integrated approaches to anemia prevention and control.
2. To share/explore best practices and lessons learned in multisectoral anemia programming in selected countries.
3. To identify opportunities for integrating anemia prevention and control activities into already existing programs.
4. To identify opportunities for further coordination and work at global and country level, including through the USAID-led, multisectoral, multi-partner Anemia Task Force.
